DETAILED ACTION

1. In response to the Communication dated October 19, 2005, claims 1-4 are active in this application.

Foreign Priority

2. Receipt is acknowledged of papers submitted under 35 U.S.C. 119(a) (d), which papers have been placed of record in the file.

Information Disclosure Statement

3. The information disclosure statement filed October 19, 2005 has been considered.

Drawings

4. The drawings filed October 19, 2005 have been approved.

Allowable Subject Matter

5. Claims 1-4 are allowable over the prior art of record.

6. The following is an Examiner's statement of reasons for the indication of allowable subject matter: the prior art of records does not show (in addition to other elements in the claim) the following:

- A write control section which performs a write operation in a format that selectively and repeatedly circulates through the nonvolatile memories FO, F1, F2, F3 in case of said four-memory configuration and performs the write operation in a format that selectively and repeatedly circulates through the first half region of FO, the first half region of F1, the last half region FO, and the last half region F1 in case of said two-memory configuration based on said sequential modulo number when the write command to the consecutive logical address is made from said host apparatus.
